## SPECIALITY BEERS FROM EUROPE

**Menabrea 1846** (Menabrea/Italy) 4.8% 33cl £3.95

A premium strength lager beer, with a full flavour and distinctive light colour. Brewed in Italy's oldest brewery at the foothills of the Italian Alps, this pilsner-style lager is truly a beer drinker's beer. Additive free, it is the only Italian lager still brewed using a completely natural "slow fermentation" process, that makes use of spring water from the Alps and ingredients from the Czech Republic, Germany and France.

**Eastgate Ale** (Weetwood Ales/Cheshire) 4.2% 50cl £5.75

This golden ale from the Cheshire brewery Weetwood is brewed to commemorate the centenary of Chester's Eastgate Clock. The fruity foretaste is followed by a mellow, acceptable finish of hops.

**Westons Organic Cider** (Westons/England) 6.5% 50cl £5.95

Westons have been producing cider in the Herefordshire village of Much Marcle for 130 years. The Organic Cider has won the 2001 IFE Gold Award and been voted "Best Alcoholic Drink" at the Organic Food Awards in 1998, 2003 and 2004. It is an easy drinking cider with a ripe apple aroma and a well balanced fruity flavour.

**Bohemia Regent Draught** (Regent/Czech Republic) 5% ½ pint £2.25

"Let us make merry, with our hop and ale, it has God's very strength, so soon all shall be well." This verse is written on the entrance to one of the oldest beer breweries in the world. Not many breweries in Europe can be as proud of their heritage as the brewery in Trebon which was founded in 1379. A premium beer with a nice hoppy taste and of medium bitterness that gives this beer good drinkability and makes it therefore very popular.

**Orval Trappist Ale** (Orval/Belgium) 6.2% 33cl £4.95

Orval, often referred to as The Queen of Trappists, was first made in 1931, and has a complex and unusual flavour and aroma produced by a unique strain of yeast. The beer is light in colour, slightly cloudy, and has a large, foamy head. As with all other Trappist breweries, the beer is only sold in order to financially support the monastery and some other good causes. All of the profits from the sale of the beer are distributed to charities and for community development around the region.
